The Van den Hoven Voyager 50 is a new luxury yacht where comfort, maneuverability and speed come together. The sailing characteristics of this Van den Hoven Voyager 50 are exceptional! With the two engines of the brand Volvo Penta type, D6 á 480 hp, this Van den Hoven achieves a cruising speed of 13 knots and a maximum speed of 22 knots. The propeller shaft installation is equipped with homokinetic coupling (Aquadrive type) and a 5-blade propeller. The proportionally operated bow and stern thrusters make mooring and docking much easier and this Van den Hoven Voyager 50 is also equipped with Humphree stabilizers + interceptors and a powerpack (electric hydraulic) steering of the brand TryDo.

This fantastic yacht features a large comfortable open cockpit which benefits outdoor living. The entire deck, spacious gangways, comfortable stairs and bathing platform are equipped with a plastic deck of the brand Ecodek.

On board there is a comfortable salon with a well-equipped galley including an induction cooktop, hood, combi microwave fridge/freezer, wine cooler and Bosch brand dishwasher. Furthermore, the yacht is equipped with a Kabola KB40 Ecoline central heating in combination with underfloor heating throughout the yacht, also air conditioning is available on board.

For the purpose of navigation, there are three Raymarine Axiom 12 Plus multifunction displays installed and this yacht has an EV-300 autopilot with a radio remote control. The bathing platform is hydraulically lowerable for setting up a dinghy or it facilitates getting on and off when swimming. In the stern there is a spacious storage room with, among other things, a wash/dry combination.

This Van den Hoven Voyager 50 is a beautiful fast motor yacht of Dutch manufacture. Further extras on board: Mastervolt Easyview 5 display, 2 x cameras (bow and stern) visible on the plot screen, engine management display, electric pleated curtains in saloon, electric ventilation system, TV on elevator, double fuel filters, air compressor, removable side stairs, electric height-adjustable saloon and cockpit table, extra Webasto hot-air heating in saloon for quickly bringing the room up to temperature.
