ELBURG YACHTING®

international yachtbrokers

Combining plenty of useable space and good sailing characteristics, the Prestige 42S is a sporty all-rounder for both inland waterways and offshore cruising sounds better. Propulsion is provided by 2 x 370 hp Volvo Penta D6 IPS500 engines with individually controllable IPS pods under the hull. The IPS system improves the control and maneuverability of the vessel significantly and makes docking and mooring child's play. With a joystick at the steering position, all conceivable maneuvers can be made that also fulfill the function of the bow and stern thruster. This Prestige 42S is equipped with: Full tent around aft deck with removable blinds (2022), height adjustable cockpit table also to be used as sun bed with extra insert cushion, transom door to swim platform, electrically operated window connecting cockpit and steering area, 2-person steering bench, wetbar with sink/grill/fridge, storage below benches, 8 x stainless steel bollards, stainless steel fender holders, storage hatch in bathing platform, Volvo Penta board computer for reading engine information and actual fuel consumption, Lenco Trimtabs, 1 x side window at steering position, large electric sliding roof over steering position and dinette, beds with slatted bases, radio/CD player with speakers in saloon and cockpit, lots of light in saloon through glass in ceiling, spacious closet with lighting in front cabin, midship owner's cabin with large viewing window in hull on SB side. Both IPS drives overhauled in 2023 by Volvo Penta dealer, invoice available.

For questions and/or to make an appointment you are welcome 7 days a week at Elburg Yachting.
