This Super van Craft 15.70, built by the renowned Jachtwerf Klaassen in Voorschoten, is an extremely well-maintained and complete specimen. The Super van Craft 15.70 features very spacious gangways, a fixed bathing platform with teak deck, the teak outside has recently been given a new varnish, the deck is fully fitted with teak all around, all around the yacht a lot of stainless steel has been used: the yacht has no less than 14 stainless steel bollards, stainless steel fender holders, stainless steel davits, beautiful stainless steel bell at the front, the sea railing is made of stainless steel and topped off with a beautiful teak edge which was recently varnished, 4 opening side doors in the sea railing. The spacious cockpit has a fine bench and a beige coloured sunscreen over the aft deck. The ground-level fixed wheelhouse can be entered very easily through 4 folding doors. The fixed wheelhouse has, among other things, a hatch that can be opened at the top, a fridge, 3 windows that can be opened, a passenger seat and a recent Orca navigation system on which you can read the speed and depth as well as plot the route. A wide staircase leads to the spacious and bright saloon. Among other things, the saloon has a roof hatch, 3 opening windows and a large, comfortable saloon settee. The saloon has an open connection to the galley and dinette. The galley includes a Siemens dishwasher, 4-ring induction hob with extractor hood, Pelgrim microwave/oven and Isoterm fridge with freezer compartment. The entire yacht is equipped with double glazing and central heating. For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
