ELBURG YACHTING®

international yachtbrokers

For sale; a young and very well equipped Boarcruiser 16.70 CS (center sleeper), stabilizers and France proof.

The 16.70 model of the succesfull Elegance series is both described as 16.70, but also as the 1500 CS type, indicating that the bathin platform can be uninstalled thus reducing it's length to under 15m. The owners cabin is situated centrally has enormous amounts of light flooding in thanks to its long horizontal windows in the hull. From aft to front this yacht is fitted with a spacious garage with hydraulically opening transom door, but also a watertight door giving acces to the well laid out engine room. The engine room can also be accessed from above via a big hatch. Amidships one will find the spacious owners cabin, exceptionally large for a yacht of this size and layout. This owners cabin boasts a couch, dressing table / desk and ensuite bathroom. The central hallway gives acces to the front cabin, the front bathroom, and the third cabin. On deck level the saloon impresses by it's sheer size and long visual lines, together with luxurious and stylish finish and use of materials. The big windows, all with blinds, and the electric sliding roof make for a light and aery feeling. The U-shaped galley offers all necessary comfort such as 4 plate induction hob, hood, 2 fridges, wine fridge, microwave and dish washer. Next to the galley one will find a dinette, and across two very comfortable and adjustable fauteuils. These can be made to face each other, thus creating a couch. Outside, under the extended roof, the cockpit seating with renewed upholstery shows great detail. On either side of the cockpit one can easily control the yacht via the Volvo joystick docking system. On the front deck another settee and sunbeds with adjustable backs can be found. The high bulwark gives safe acces to the front deck, also for children or pets. The yacht has a very high level of finishing and the used materials on this exquisite Boarcruiser are of exceptional quality. The hull is completely repainted in 2023 in the color grey.

Further equipment includes among others: Electric-hydraulic folding mast, electric hydraulic garage transom door with remote control, a safe in both the owners cabin and the front cabin, outside upholstery renewed 2024, including covers front and aft, bed in owners cabin measures 2.05 x 1.60 metres, bed in front cabin 2.00 x 1.60 metres, dishwasher, wash-dry combination, electrically adjustable height of dinette in saloon, double fuel filters, spacious garage with smart storage solutions, transom shower hot/cold, deck wash pump, handrails, stainless handrails in saloon, 2 side doors in bulwark and in sea railing, aft camera, search light.

For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
