# ELBURG YACHTING®

## international yachtbrokers

Spacious Vri-Jon Contessa 45RX built by the well-known Dutch Vri-Jon yard in Ossenzijl. This Vri-Jon is a perfect cruiser to explore Dutch, but also foreign waters with. She is equipped with a technically advanced rotating nozzle with pulling propeller. This mechanism is very efficient and gives a lot of control when manoeuvring the yacht. Throughout the yacht, the Vri-Jon yard's years of experience stand out well. The spacious saloon with storage space, cosy dinette opposite the spacious galley, the pleasant forward cabin with its own wet cell and, of course, the spacious aft cabin with free-standing bed and spacious wet cell with shower cubicle and washer/dryer combination. The yacht is equipped all around with a low-maintenance cork deck with a stainless steel sea railing. The outside steering position is equipped with a clear Navio boat control system in combination with a Navio Power steering system that also controls the autopilot. The yacht is also equipped with a recent Simrad chart plotter and electric anchor winch with remote control. This yacht is completely gas - free. Minimum headroom is appr. 2.75 metres. For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
