ELBURG YACHTING®

international yachtbrokers

Solidly built Privateer 46 built at Privateer Yachts in Uitwellingerga. This ship has already proven itself on several trips through Europe. The Privateer 46 is equipped with a solid deck made of cork all around. No expense has been spared on the Privateer. For example, the double stainless steel sea railing with the double stainless steel bollards stands out. The underwater ship was sandblasted and rebuilt in 2020. The gangways are very spacious, making it easy to move around on board. The Privateer 46 has a very spacious open cockpit, where the fixed steering position is also located. The open cockpit connects to the saloon via a spacious staircase. The saloon consists of a beautiful teak interior with blue cushions, and an openable window at the front. The owner's cabin is very spacious and has a French bed, plenty of storage space, washing machine and two windows in the aft of the boat. The Privateer 46 has a spacious wet cell with private shower cabin and two separate electric toilets, brandt Dishwasher, folding windows for low crawl height of 2.80m, 2 x dynamo on engine, the cockpit tent over the steering position needs replacing. For questions and/or making an appointment you are welcome 7 days a week at Elburg Yachting.
