This Princess V52 is an original Dutch delivered 'freshwater boat' and is one of the last built of this successful V52 model series. Via the hydraulically movable bathing platform, both the side decks and the open cockpit can be entered via an integrated stairs. The open cockpit can be completely closed with a tent with removable window screens. In the open cockpit is a spacious bench seat with an integrated wet bar equipped with sink and storage space. The 1-person crew cabin is located in the aft ship with its own access. The engine room can be entered via a large hatch in the cockpit floor with good accessibility to the technology. The stainless steel sliding door gives access to the saloon on deck level. The large windows all around (tinted) provide good visibility and a lot of light. You can bring the outdoor feeling inside by opening the large electrically operated sliding roof. The ship can be steered both from the inside steering position and also via the Yachtcontroller remote control. With this remote control the engines can be operated at idle speed as well as the bow and stern thrusters, making mooring child's play. The galley and dinette below deck have an open connection with the rest of the ship with a lot of day light. The 2 x 2 person cabins have their own en-suite bathroom. The owner's cabin midship has large windows on both sides for a wide view over the water. This Princess V52 from 2015 is equipped with: U-shaped dinette in cockpit can also be used as a sunbed by means of a lowerable table, 2 x luxury pilot chairs with leather upholstery, dishwasher in galley, Smart TV on lift in saloon + 2 x TV below deck, Bose sound system for sound in saloon and open cockpit also music streaming via Bluetooth is possible, airconditioning throughout the ship for cooling or heating, removable sunbed on foredeck, mosquito screens for portholes, Bennett trim tabs, Caterpillar screens with all necessary engine information / consumption / trip meter, electrically operated side window at steering position, blinds throughout the ship.
