ELBURG YACHTING[®]

international yachtbrokers

Beautifully lined Steeler NG40 built in 2013 by the renowned Steeler Yachts yard in Steenwijk. This timeless model is known for its comfortable open cockpit with the ground-level passage to the saloon + wheelhouse. All around, the yacht is fitted with a luxurious stainless steel sea railing. The cockpit floor, the integrated swimming platform, the spacious gangways and the foredeck are fitted with a Flexiteek deck. Inside, a chic wooden interior has been chosen in combination with a dark marine floor with light upholstery, this choice creates contrast in the interior. The yacht is equipped with a Follow-up steering system, preparation for the possible installation of a steering wheel has been made. Further forward in the yacht, the galley with Corian worktop is situated on the port side, guest cabin and wet room are placed to starboard and the owner's cabin is located at the front of the spacious yacht. The large windows + electrically opening roof hatch in the yacht provide plenty of natural light on board. Furthermore, the yacht comes with, among other things, Siemens wash/dry combination (under the stairs to the galley), TV lift built-in with remote control, Digitenne connected to the TV, wine cooler, aluminium window frames, portholes with mosquito screen, r. v.s. deck ventilation, r.v.s. folding mast, r.v.s. baffle plate for anchor with electric windlass, high-quality Awl Grip paint system, Bimini top over cockpit, generous cockpit table, spacious storage hatch in cockpit. For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
