This stunning Vanquish VQ82 is a unique, fast-sailing, aluminium yacht. The yacht is suitable for staying on board for longer periods.

The yacht has a spacious saloon with a lounge sofa on the port side, a U-shaped galley and a dinette on the starboard side. Through the galley, the door leads to the steering position, which has a large window that offers a 180-degree view and a good overview.

Stairs lead down to the sleeping quarters. The yacht features a luxurious midship master cabin equipped with a free-standing double bed with an ensuite bathroom. Furthermore, in the foreship is a spacious guest cabin fitted with a free-standing double bed, complemented by two cabins both with two single beds.

From the saloon, you walk through a large sliding door onto the aft deck where you will find a dinette where you can dine and enjoy stunning views with your company. On the aft deck, you can use the IPS Joystick Docking System, which allows you to dock the yacht from different positions. The swimming platform is equipped with a lowerable swimming platform and a tender garage that offers storage for a Williams 505 Jet tender.

From the aft deck, you walk through the level gangways to the foredeck where a pleasant seating area is situated. There is also a crane on the foredeck that can be used to lift jet skis on and off the foredeck. You can also reach the flybridge via the aft deck with stairs. The flybridge is equipped with a large sun bed, a bar where you and your guests can enjoy the great view while having a drink, a lounge sofa and the steering position.

The yacht is equipped with 2 x Seakeeper Gyro stabilisers that ensures comfort when at anchor. The yacht is easy to manoeuvre using the Volvo Penta IPS joystick docking system and also the bow thruster. The yacht's performance is of a high standard, the cruising speed is appr. 14 knots and the top speed is appr. 20 knots.

For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
