Beautiful Italian Fiat Mare 50 Genius in very unique livery. BMW Sterling Grey combined with Lamborghini Grey on the hull + superstructure gives this yacht a very special look. The Italian line of the yacht is correct and gives the yacht a graceful look. In 2014, the Dutch 1 was fitted with a Custom Build Targa roof with an integrated electric sunroof. This made the yacht more beautiful and, above all, more practical. Powered by 2 x 715 hp Volvo Diesel engines, this yacht achieves a top speed of about 33 knots and a cruising speed of about 22 knots. Externally, she was fitted with Permateak in the gangways and on the swimming platform in 2016 and the yacht features a spacious foredeck with sunbed and a spacious cockpit with a fine dinette. On board, the yacht is equipped with as many as 3 double cabins and two wet rooms. The saloon has a nice dinette with a practical galley to starboard. The yacht comes with a recent survey report. For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
