Beautiful modern built motor yacht with classic and nautical elements. This Boarcruiser 46 Retro Line is built in 2011. Eye-catching features are the rounded transom with an electric operated garage door that gives access to a spacious storage room with washing machine. The deck, the open cockpit and the wheelhouse are connected on the same level. A complete tent covers the open cockpit with large removable viewing windows. There is underfloor heating throughout the entire ship, which also contributes to a comfortable stay on board for a longer time. With a few steps you enter the galley with a spacious 4-person dinette below deck. The headroom is 2m+ which gives a spacious feeling on board. The ship has two 2-person cabins with the owner's cabin in the bow which is equipped with a television and has the bathroom en-suite. The bathroom is also accessible through an extra door from the saloon below deck. The guest cabin is located amidships and has a double bed. The cockpit tent covers the entire aft deck, creating extra insulation and living space. The sidedecks are wide, making it easy to pass for example when mooring. The space in the engine room is exceptional for this size of yacht. You will enjoy doing a daily inspection round here and see at a status that all the technology. The minimum clearance with folded mast and tent is approx. 3.50 m. This Boarcruiser 46 Retro Line is equipped with: Bosch dishwasher, TV in front cabin and wheelhouse, pleated curtains throughout the ship of which those in the wheelhouse are electrically operated, mosquito nets for portholes and mosquito net door in the wheelhouse, 2 x roof hatch, removable bicycle crane on the foredeck, Mastervolt easyview display, central vacuum system, washing machine in the aft ship, removable stainless steel side stairs, electrically operated sliding roof in saloon.
