The Nimbus 335 features a spacious and well-maintained cockpit where comfort and functionality come together beautifully. The bench with cushions invites relaxing moments on board, while the deep storage locker offers practical space. Thanks to the fully closable cockpit tent, this outdoor area remains a pleasant place to stay even in less favorable weather. A convenient passage leads to the swim platform. The saloon is accessible via a sliding door and offers, on the starboard side, the galley and helm station. The helm station includes a practical side door to the side deck. To port, there's a comfortable dinette with a height-adjustable table. Forward, opposite the helm, is a foldable co-pilot seat with a retractable TV. The combination of mahogany woodwork and light upholstery creates a warm, stylish Scandinavian atmosphere. In 2025, several items were renewed, including the toilet, radar, inverter, VHF radio, Fusion stereo, and mattresses. The heat exchanger was overhauled. The yacht received new antifouling and a thorough cleaning and polishing in 2025. The engine was serviced in 2025, and the plotter was replaced in 2023. Large hatches in the cockpit floor provide excellent access to the engine compartment, storage space, and technical installations. Average fuel consumption at 5–6 knots was approximately 3 liters per hour.

With original Nimbus details such as the branded tableware, a stylish double stainless steel guardrail, and a well-thought-out layout, this yacht is a truly complete package. Full documentation available. For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting
