Beautiful Linden Kotter 13.70 aft cabin in good condition offered. The Zuiver is a very richly built Linden Kotter 13.70 that has been well maintained. The yacht was designed by renowned yacht designer Theo Gillissen and built by Linden Jachtbouw in Hardinxveld in 2005. Since then, the first owner has mainly kept the yacht indoors and only launched it for the beautiful summer weeks, which is clearly visible. Under the current owners, a number of changes have been made to the yacht in recent years. For example, it was fitted with beautiful light grey upholstery in 2024, and the support mast was made hydraulically lowerable, allowing a clearance height of approximately 3.50 metres to be achieved in a short period of time. The navigation equipment has been replaced. The wooden interior has been checked, the hull and superstructure are waxed every year, and the teak deck has been impregnated. In short, the yacht has been well cared for and is ready for a new owner! If you have any questions or would like to make an appointment, you are welcome at Elburg Yachting 7 days a week.
