ELBURG YACHTING[®]

international yachtbrokers

The Steeler Panorama FF53 is as comfortable as a penthouse and has the sailing characteristics of a true sports cruiser. The saloon, helm station, and both cabins offer panoramic views of the outside. The spacious upper deck is fully equipped for enjoying the outdoors. The open cockpit can also be fully connected to the saloon by opening two large folding doors and a pocket window. The yacht is on one level from the swimming platform (submersible) to the bow, which makes moving around on board very pleasant. This Panorama FF53 has two full double cabins with private bathrooms. The equipment is very complete with: Full removable cushion set in the open cockpit, storage hatch in cockpit floor, TV in saloon, electrically operated saloon floor for access to engine room, Yachtcontrol control screen for main functions of the yacht, height-adjustable tables, dishwasher, large door on starboard side for access to jetty at water level, Hydronautica remote control for bow and stern thrusters and independent control of both engines, electric heat pump for underfloor heating throughout the ship, plenty of cupboard space, Zipwake trim system, double bimini top over upper deck, 2 x roof hatch above helm, passenger bench, stainless steel fender holders. The hull has an anthracite grey coloured film/wrap, applied in 2025.

For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
