# ELBURG YACHTING<sup>®</sup>

international yachtbrokers

This stunning Atlantic 60 in cabrio configuration is truly a yacht out of a thousand. From the moment you step on board, you feel the solid construction, the spacious layout, and the warm nautical atmosphere that perfectly reflects the quality craftsmanship of Atlantic yachts.

This Atlantic 60 was originally delivered in the Netherlands and has been meticulously maintained. At the helm, you immediately experience a sense of control and excellent visibility. The yacht is equipped with two luxurious helm chairs, ensuring comfort even on long passages. The cabrio system allows you to open the roof quickly and easily, while the hydraulically lowering radar arch provides a clearance of approximately 3.50 meters.

The yacht features a beautiful teak deck all around, complemented by a triple stainless steel railing. Both sides have railing gates and a comfortable bow step, making boarding from lower docks effortless. The bathing platform is easily accessible via the gentle starboard-side stairs and a hydraulic gangway. It is also equipped with a teak deck and supports for the tender, which can be easily lifted using the extendable gangway.

Inside, the yacht boasts a warm and luxurious cherrywood interior with granite countertops. The galley is fitted with high-quality Miele appliances, and the Kabola central heating ensures a comfortable temperature throughout. Dimmer-controlled lighting creates ambiance, and there are three fully equipped cabins with three bathrooms, each featuring an electric toilet and a shower. Storage has been thoughtfully designed, and the interior finish is impeccable.

In terms of performance, this Atlantic 60 is truly exceptional, powered by twin 715 HP Volvo Penta D12 diesel engines. Maneuvering is effortless thanks to the ZF Hurth Trolling Valve installation, which allows the yacht to move at reduced power for precision handling, and the powerful bow and stern thrusters. The maximum speed is approximately 26 knots, with a comfortable cruising speed of around 10 knots. The yacht is hydraulically trimmable via trim tabs.

This Atlantic combines comfort, nautical quality, and sporty performance in outstanding condition. It is a yacht for true enthusiasts...

For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
