# ELBURG YACHTING®

international yachtbrokers

This modern Steeler NG40, designed by Martin Bekebrede and built by Steeler Yachts, is in excellent condition. The yacht is ready for the new sailing season thanks to extensive maintenance carried out in 2025: the hull (Beige Grey, RAL 7006) and superstructure have been completely repainted, the Steyr main engine (fitted with extra insulation) has undergone a major service, and all batteries have been replaced. Earlier in 2022, the underwater hull was fully sandblasted and fitted with a new paint system.

The interior features a high-quality teak finish with wenge details and stainless steel accents. Unique for a vessel of this length are the six fixed berths, spread across three cabins, including a spacious owner's cabin with a double French bed. The two large panoramic roofs in the saloon allow plenty of daylight to flood in. The aft deck and the saloon are on the same level and can be opened up to connect via the three aluminium folding doors. For added convenience on board, the galley is equipped with a Bosch dishwasher and a wine cooler in the saloon.

The cockpit features a large U-shaped bench with removable cushions and a folding bimini top for shade from the sun. Thanks to the foldable arch, this Steeler NG40 has a minimum clearance height of just 2.70 metres.

If you have any question or to arrange a viewing, you are welcome to visit Elburg Yachting 7 days a week.
