international yachtbrokers

Step aboard this exclusive Pollard Jachtbouw Pollard 36 Cabrio and you will immediately notice that everything revolves around style, comfort, and effortless cruising. This stunning Dutch quality yacht, built by Pollard Jachtbouw in Steenwijk, combines elegant lines with high-end engineering and a luxurious finish. The current Dutch owner has fully prepared the yacht for the new boating season. During the winter of 2025/2026, the yacht received a major service, while the antifouling has been renewed annually. Powered by a reliable 110 HP Yanmar engine, combined with both bow and stern thrusters including remote control, manoeuvring this vessel is effortless in any marina. What makes this Pollard truly special are the spud poles installed both fore and aft since 2024. These allow you to moor easily in shallow waters and enjoy maximum freedom during your cruising adventures a premium feature that perfectly complements the exclusive character of this yacht. Comfort on board is guaranteed. The spacious open cockpit is fully enclosed and, together with the stylish interior, creates a comfortable living space on the water. Features such as a Fischer Panda 5 kW generator, 3000-watt inverter, Raymarine autopilot, electric anchor winch, Bosch combination oven, and electric cooktop make extended stays on board exceptionally pleasant. Thanks to the folding mast, collapsible radar arch, and foldable windows, the yacht has a minimum air draft of approximately 2.35 metres, making her perfectly suited for European inland waterways and low bridges. An elegantly lined yacht in which luxury, technology, and pure boating pleasure come together perfectly a true floating work of art. If you have any questions or would like to make an appointment, you are welcome to visit Elburg Yachting 7 days a week.
