international yachtbrokers

This Sealine SC42 is a multi functional and well-maintained motor yacht. In the years between 2020 and 2024, significant investments have been made in the vessel, making this Sealine SC42 very luxurious and unique with its color schemes, used materials, and technique. The model is designed for both relaxed cruising and sporty voyages on inland waterways, rivers, and the open sea. Thanks to its two powerful 360 hp Volvo Penta D6 engines, the boat sails exceptionally comfortably at both low and high speeds of up to approximately 30 knots. Thanks to the Volvo Penta joystick control mooring have become child's play. The propulsion responds precisely to the direction in which the joystick is moved. The yacht makes optimal use of the available space thanks to a smart layout. The open cockpit creates a direct connection with the water for an optimal boating experience. With two glass/fixed doors (2020) to the side deck and the fully enclosed cockpit, spending time outdoors is comfortable in all weather conditions; the cockpit is also equipped with diesel hot air heating. On the bathing platform, there is a beautifully designed hydraulic platform for launching a dinghy or easily stepping off to go swimming. The platform can be operated remotely to the desired position in the water. The spacious U-shaped seating in the cockpit can easily be converted into a large sunbed or two separate L-shaped benches, creating a walkway in the middle to the swimming platform, beach club style. There is an outdoor bar equipped with two Waeco refrigerators, a sink, and an electric grill. The vessel is equipped with hot air heating in all rooms below deck but also airconditioning. The owner's cabin in the front cabin offers a French double bed and a shower & toilet en-suite. The 2/3-person guest cabin is located midship and also has its own bathroom. Equipment and extras include: cockpit tent on a rail system around the cockpit, rear-view camera via plotter screen, LED docking lights, radio system, Lenco trim tabs, large electric sliding roof over almost the entire open cockpit, removable sun cushions on the foredeck + folding bimini (2024), sliding window at the helm, longer stainless steel. Roof railing (compared to standard), Dockmate remote control for easy mooring and unmooring, stainless steel fender holders, TV in saloon, floor hatches in saloon for tank access, separate shower and toilet in the bow, separate wet cell with toilet in the aft cabin, sun-protective wrap on the windscreens, water connection on the foredeck. Want to experience this beautiful Sealine SC42 yourself? The vessel is currently available for viewing by appointment in Zeeland.

For questions and/or to make an appointment you are welcome 7 days a week at Elburg Yachting.
